Ticket: HDFC Bank Mini ATM Menu

Customer: HDFC Bank training ATM
Need: Console ATM: check balance, deposit, withdraw, quit. Wrong choice must not exit.

Teaching-order: `while` / `if` (or `switch`) in `main` only — **no extra methods**. No `throw`.

Starter

Complete the menu loop in `starter/AtmMenu.java`.

Broken

Infinite loop / wrong withdraw logic in `broken/AtmMenu.java`.

Done when

- [ ] Menu repeats until Quit
- [ ] Withdraw blocked when amount > balance
- [ ] Balance never goes negative
