Ticket: Mini ATM Menu

Customer: HDFC Bank training ATM
Need: Console ATM: check balance, deposit, withdraw, quit. Wrong choice must not exit.

Starter

Complete the menu loop in `starter/atm.py` (while/if — no `def` yet).

Broken

Infinite loop / wrong withdraw logic in `broken/atm.py`.

Done when

- [ ] Menu repeats until Quit
- [ ] Withdraw blocked when amount > balance
- [ ] Balance never goes negative
